ABOUT THE TRUST AND COLLEGE

The Navayug Vidyabhavan Trust was founded in February, 1965 with aim to provide facilities for higher education to students without consideration of caste, community, sex or religion and to undertake research in the exact and social science.

C. K. Pithawalla Institute Of Pharmaceutical Science & Research is being managed by the Navyug Vidyabhavan Trust. Within a short span of its operation, the college has provided all the necessary facilities to help the students which includes a well established library containing a large number of reference books, technical & general magazines.

Honorable late Shri C.K. Pithawalla has been the driving force for the setting up of this college named after him and is continually drawing inspiration from him. This institute of learning in particular, like many others, owes a great deal to his vision, understanding and missionary zeal right from its inception to its blossoming.

CKPIPSR is a self financed Institute which started its functioning in 2005-2006.

VISION

“TO DEVELOP PHARMACY GRADUATES WITH FUNDAMENTAL KNOWLEDGE AND PROFESSIONAL COMPETENCE TO IMPROVE HEALTHCARE NEED OF COMMUNITY AND INDUSTRY.”

MISSION

- To provide state of art teaching learning process.

- **PROFESSIONALISM:** To provide professional and dedicated pharmacists to the society with skill and will to formulate and serve quality medicine in line with counseling

PROGRAM OUTCOMES (PO)

PLACEMENT PARTNERS

MESSAGE FROM PRINCIPAL SIR

C. K. Pithawalla Institute of Pharmaceutical Science & Research (CKPIPSR) is a leading education benefactor imparting pharmacy education over more than 15 years, affiliated to Gujarat Technological University, Ahmedabad. CKPIPSR boasts of a blend of enterprising and dynamic young and experienced faculty who provide an open platform for students with continuous exposure to various facets of the profession, inculcating a sense of legal, moral, and social responsibility building therefore an understanding of the universal nature of law for the welfare of mankind.

This institute aims at molding its students into a wide array of co-curricular and extracurricular activities are arranged. The high levels of participation and achievement reveal that the students bring with them an urge for gaining knowledge with continuous exposure to national and international guest lectures, internships, workshops, and sporting activities showing a wide range of capabilities and talents. The current batch of final year students appearing for the placement process of the college is a reflection of the overall levels of merit, ability, talent, skill, and discipline prevalent in the institution cutting across all batches. They present themselves as perfect pictures of hard work, knowledge, skill, understanding, and discipline. I am sure that they will prove to be assets of high value to any organization that they join. I extend my cordial invitation to you to visit our college campus and be a part of our placement process which has achieved high standards. I am sure that you will be intrigued by the levels of merit and ability demonstrated by the students.
